

## Can Your Business Afford \$1 per Day to Improve Lives?

Business owners understand that a financially stable customer base is the hallmark of a vibrant local economy and a healthy “bottom line”. Of course, they also understand the importance of being a caring neighbor.

United Way of Greater Plymouth County understands this too, which is why we are excited to announce **LIVE UNITED 365** - an affordable way for businesses to demonstrate their friendship by “investing” in the health and vitality of neighbors who oftentimes must put off purchasing goods and services from local vendors in order to pay a utility bill, put food on the table, or keep a roof over their heads. A tiny investment of just **\$1 per day** is all it takes to bring a bit more joy into their lives.

### Step Up...Make a Pledge... LIVE UNITED!
