Greater Plymouth County

PLEDGE FORM

Your donation to the LIVE UNITED Fund will help those in your **local** community.

Our Mission

We unite people, ideas and resources to improve lives.

Our Vision

We envision a safe, healthy and well-educated community where the needs of the people are met effectively, respectfully and compassionately.

How your dollars are invested through the LIVE UNITED Fund

United Way of Greater Plymouth County's Allocation Process is completely volunteer-driven. Residents from the local community volunteer countless hours reviewing financial statements and reports, making site visits and reading and scoring the formal request for funding from area nonprofit human service agencies. Local nonprofit organizations can apply for funding for initiatives that address the defined need areas:

EDUCATION

Ericka, a 5-year-old preschool student, came to Brockton Day Nursery from a hard-working family that struggles to make ends meet. Ericka was able to receive a scholarship, funded by United Way of Greater Plymouth County, allowing her to attend the program where she recently graduated kindergarten as the valedictorian and gave a speech to more than 100 people. Due to the LIVE UNITED Fund, Ericka's future is bright and full of promise.

HEALTH

Rosie is a 60-year-old resident of Plymouth County who has been disabled for more than 20 years due to a progressive neurological disease. She requires a great deal of care and lives with her 90-year-old mother. Mom has made a commitment to care for her "child" at home. Brockton Visiting Nurse Association, a United Way-funded agency, provides home health aide services to offer personal care for Rosie and a needs assessment to ensure that she is safe and comfortable. The United Way's LIVE UNITED Fund helps Rosie (and her mother) enjoy a happy and healthy life together in the comfort of their own home.

INCOME

Unemployed and homeless, Bill was accepted into Father Bill's & MainSpring's WorkExpress program, a highly successful job-training initiative that receives significant funding from the United Way of Greater Plymouth County. After 10 months of intensive on-the-job coaching, personal counseling and lots of hard work, Bill not only obtained full-time employment but saved enough money to purchase a car and move into an apartment. Thanks to the United Way's LIVE UNITED Fund, Bill now enjoys a fulfilling, productive and independent life.

Your donation will be used to enrich the lives of people like Ericka, Rosie and Bill and will help them achieve their full potential.
