About The Family Center

The Family Center, an initiative of Community Connections of Brockton (CCB), is supported through funding from the Department of Children and Families (DCF), by the United Way of Greater Plymouth County and in partnership with Brockton's Promise. We value the families that make up our community. The basis of our mission is to help you find the solutions you need to strengthen your family. We work to connect you to neighborhood-based resources and networks of support that will help foster strength within your family. We can achieve this by promoting parental resilience, offering education on parenting and child development, establishing social connections, and providing solid support in times of need. In doing so, we are striving to prevent child abuse and neglect while promoting the healthy growth of our community.

Community Connections of Brockton (CCB) seeks to actively partner with parents, residents, community groups, faith community, service agencies, businesses and others who want to strengthen Brockton's families, neighborhoods and community. The goal of the Community Connections Coalition initiative in Massachusetts is to increase neighborhood-based networks of support. We are strengthening families, building communities, and preventing child abuse and neglect.

Community Connections Coalitions strive to achieve success by: Coordinating resources already in communities, Giving residents a voice in community planning and organizing, Ensuring that services meet the needs of families in the community. Visit www.ccbrockton.org for more information.

About LTLF

LTLF is best understood as a relationship-based group of Pastors and Christian leaders who believe it is necessary to encourage one another to live reconciled lives and to serve one another in a manner of Christian unity because it is consistent with the nature and call of Jesus Christ (John 17:23).

Furthermore, to the degree that our many congregations can find ways to connect and collaborate in order to serve one another or our city is to the degree we can without hypocrisy encourage and lead our city to also be "one community."

The Pastors within the informal network of LTLF together seek to be instigators for prayer as well as a shared, visible gospel response to the social ills and community challenges that are affecting the quality of life of all people of Brockton. There is an indwelling passion for both revival and revitalization for our City of Champions.

In the end, LTLF continually asks, "What can we do better together that we have been doing separately?" For more information please go to www.ltlfonline.org or call 508-588-4684.
