Artz over Anxiety
with Ms. Sweetz

FREE

An organization dedicated to develop, encourage, and inspire those, with and without mental health issues, using art as a medium. My delivery ensures the ability to cope and focus by engaging in interpretation of the Art with imagination to redirect the thinking of the mind.

Every day is a new beginning.
Let us bloom in our own season
Let your season start with
Beaming sunlight and fresh air
Blooming flowers
Green leaves and new colors
A chance to bloom
and begin again

Please note that caregivers
are responsible for their
children during this event and
cannot be left unattended.
Thank you.
